## How can i install Outbank on my Mac?

Christine - 2017-05-12 - in [Add account](#)

Outbank is only available on the [App Store](#).

To install Outbank, please proceed as follows:

1. Open the App Store on your Mac and search for "Outbank"
2. Click on "Install"
3. Enter your Apple ID and Password
4. Wait until the App is installed
5. Open th App by clicking on the App Icon
