## How do I get my Lufthansa Miles in Outbank?

Christine - 2018-01-31 - in [Banks](#)

To see your Miles & More Miles in Outbank, you need to create a separate account for your Miles account.

Please proceed as follows:

'+-Button in the Tabbar' > 'Account' > 'Search for "Miles & More Miles"' > Set up access with your access credentials

You can see your miles as in a normal account as transaction or debiting.
