How can i delete budgets on my iOS device or Mac?

Christine - 2020-01-28 - in Contracts / Budgets

You can delete budgets in the details view of a budget.

For iOS:

- open the budget's details and scrol down > then click on 'Remove from list'
- or you just do a left-swipe in the budget's overview on the concerned budget

For macOS:

- Click on the concernedbudget to open the details > chosse 'delete'
